

Mayank Ranpura John Lewis Customer Appreciation Feedback 2009-2010

Customer's Comments

Outstanding service. Mayank is a great asset to JLP and should be placed on a programme to accelerate his career within the business.

His attention to service ~~(was)~~ was the best I've received for a VERY LONG TIME. His service/^{knowledge} must be shared across all JLP stores NOW!

Exceptionally helpful on speakers, satnav & wireless networking.

Ended up coming back & buying because of his help, even though we didn't buy on first visit.
